

Congressman Howard L. Berman

Invites you

To share with the FAA, your experience with helicopter noise and its impact on quality of life in our neighborhoods at his...

Public Hearing on Helicopter Noise in Los Angeles

in coordination with the
Federal Aviation Administration (FAA)

This public hearing is a critical tool for gathering community input and will be used to inform an FAA report on helicopter noise in LA.

Monday, August 6, 2012

6:30 pm - 8:30 pm

Millikan Middle School Burrill Hall
5041 Sunnyslope Ave
Sherman Oaks, CA 91423

**Ample parking available at school parking lot*

Questions? 818-994-7200

Be advised: priority to testify before the FAA will be given on a **first-come, first-serve basis**.
